

A BETTER TRADE SHOW GIVEAWAY

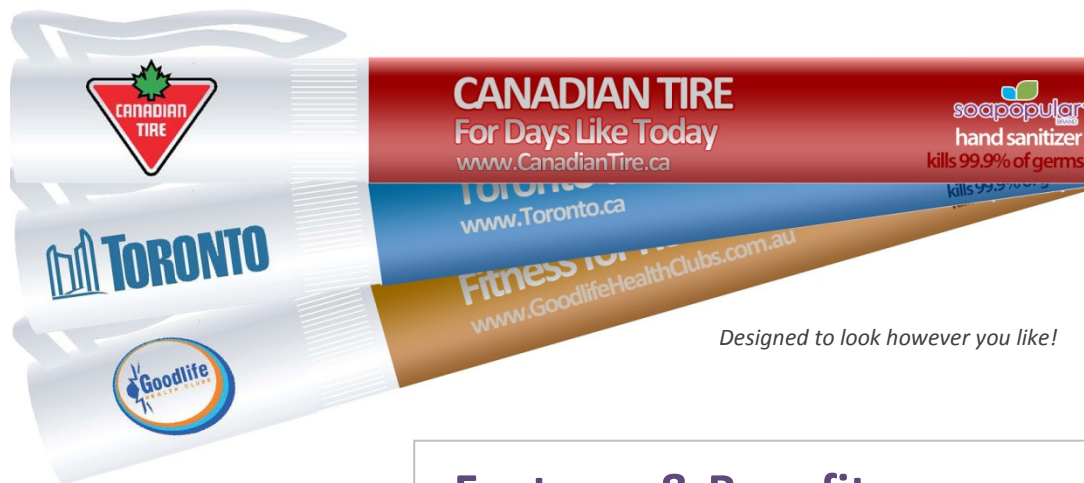

NEW!

Want to stand out from the crowd?
An effective trade show giveaway is hard to find. We know. We've been there. We, too, needed to solve this problem, so we took a revolutionary new product and turned it into a trade show giveaway. The result is a one of a kind marketing product

that works brilliantly. People shake a lot of hands at the average trade show, so a personal hand-sanitizer giveaway that is alcohol-free and odourless is something they appreciate. With your branding, every use will remind them of you: *the people who care about their wellbeing.*

Not Just Any Hand-Sanitizer

The 10 ml personal size, alcohol-free Soapopular Hand Sanitizer **kills 99.9% of common, harmful germs, bacteria and fungi without drying your skin!** It is fast drying, non-stinging, odourless, and doesn't leave a sticky residue!

Designed to look however you like!

Volume Discounts

Introductory Offer Valid Until 9/31/09

1,000-1,499 Units:	\$2.39 Per Unit
